## *The Christmas Trail*

*Due to COVID-19 restrictions we cannot have our usual Christmas celebrations in church. So here in the Exe Valley we have come up with the idea of a Christmas Trail!*

*There are decorated windows, church porches, notice boards, village greens etc throughout the nine parishes.*

*Secreted in each of these displays is an animal to find. When you find them make a note on the map and take this with you to the final destination at The Rectory Withleigh, where a small gift is waiting for any children who bring their parents.*

*You can start in any parish and take any route you choose, don't worry if you don't manage to visit them all!!*

*Good Luck and we hope to see lots of you at The Rectory, socially distanced of course.*
